**Re: Chuuk State Law No. 8-06-04(Act No. 8-20)**

Dear President Santos and Speaker Harper:

I am pleased to inform your respective offices that I have reviewed Act No. 8-20, entitled:

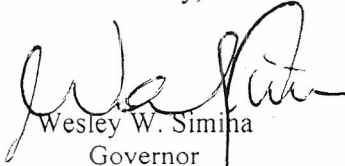

“To appropriate the sum of \$500,000 from the General Fund of the State, for the purpose of supplementing the funding for the construction of the Legislative Complex, and for other purposes.”

and have signed the same into law, as Chuuk State Law No. 8-06-04, which is transmitted herewith. I note that, from our discussions and understanding, the funding may be used to fund the actual construction and related obligations, such as the new road and the real estate – matters that can have adverse impact on the prompt completion of this urgent project.

As discussed earlier, now that this Act has become law, we will move quickly in implementing the completion of the project. Your assistance and cooperation is therefore essential in this regard.

Thank you for your prompt action. With warm personal regards,

Sincerely,

  
Wesley W. Simina  
Governor
